

# Interactive Exercise #1: The Puzzle

## Question 1:

Think about an informal learning experience that you had. What particular skills and knowledge did you learn in this experience?

## Question 2:

Now, think of a job that you would like to apply for. Now that you have identified a prospective job, look to see how your existing skills support that job – compare your skills with those for the job. Are there skills that you need to develop? Identify two Essential Skills that you may need in order to do this job effectively.

## Question 3:

Now what other jobs require these same skills (as hunter/trapper)?
